Ordering

All orders require at least two weeks notice. Because all of our chocolates are made by hand, to order to ensure freshness and give each customer as much personalization as possible, we take a limited number of orders per month. Customers are encouraged to schedule their order as early as possible so that we can block out time on our production schedule. We may not be able to accommodate orders with less than two weeks notice.

To place an order, please contact us at info@historicalchocolate.com and provide us with the information outlined on our order worksheet. We will then contact you to finalize your order and provide you with an estimate.

Packaging Options

Individual chocolates are packaged either in a cellophane bag or by foil in your choice of blue, gold, red or silver. Cellophane bags can be tied with a ribbon in the color of your choice for an additional \$0.25 per piece. Custom designed tags can also be added with a ribbon for \$1.00 per piece. Boxes are available and can be custom printed; prices vary based on size, please contact us for a quote.

Delivery

As we do not have a retail shop for order pick ups, we can either personally deliver your order in northern Virginia (Arlington, Alexandria, or Fairfax County) or Washington DC for \$10 weeknight evenings, Friday mornings or weekends. Shipping is also available at cost using traditional carriers (USPS, UPS, etc.). Please note that when temperatures exceed 75 degrees, we must ship orders using next day delivery in insulated boxes with cool packs to protect the chocolate from melting.

Payment

After an estimate is provided, a credit card number to keep on file or a 10% deposit by check made payable to "The Historical Chocolate Company" is required to confirm your order on our production schedule. If you opt to provide a credit card number, we will call to take that information by phone and it will not be charged without your instruction. Customers can finalize finishing details and numbers up to two weeks prior to their due date and payment is not due until delivery.

When your order is ready, we will send you an invoice electronically with the final total. We accept check, money order, debit/credit card and PayPal.

Quantity Pricing

Purchases over \$400 qualify for a 5% quantity discount.
